DECEMBER 2008 / JANUARY 2009

Living Spring Faith Ministries - Church planting & Community Development in South Africa

FEATURES

- Fabule Family Update
- LSFM East London
- Administrative Angels
- Building Project Status

FABULE FAMILY UPDATE

Welcome, Jonathan Olubunmi Fabule. Born December 12th, 2008. Deborah's labor and delivery were smooth and miraculously uncomplicated by her previously strained back. You can go to Facebook for pictures of Jonathan or non-Facebook users can see them at the link <http://www.facebook.com/album.php?aid=2013237&l=649b4&id=1052918680>

- Grandma Judy arrived in SA December 13th and Grandpa Fred came a week later. We had a wonderful Christmas, only slightly marred by a bout of colds for Deb, Gabriel, Joseph and Judy. Joseph has adjusted well to his baby brother and is kind and helpful. Jonathan is laidback and a sweetheart.
- Deborah and Gabriel have taken a leave of absence from YWAM for the next quarter to focus on family, LSFM ministry, and our upcoming US trip in March for reconnecting with supporters and fundraising. We'd love to see you, Please contact us at 703-938-7510 or our email contacts at the bottom of the page

LSFM EAST LONDON

- In December the pastors of LSFM East London came to Cape Town for training seminars and a time to pray for the coming year in ministry. What an encouragement to see that spiritually and developmentally, LSFM East London continues to thrive.
- Unhindered by urban overcrowding, LSFM East London has not only been donated land for a vegetable garden development project, but also has secured a church office venue for a minimal fee.
- Gabriel will be traveling to East London in February

ADMINISTRATIVE ANGELS

- In December, we were contacted by some ministry friends from Norway, Frode and Sabina Nordhal.
- They are prayerfully considering volunteering part time with LSFM in the area of administration. This is absolutely an answer to our prayers and needs.
- Please pray for them as they fundraise for their travel and living expenses.

BUILDING PROJECT STATUS

- The building project is progressing and we have received the go ahead from the local municipality to erect temporary fencing and non-permanent structures on the land
- As we pursue the rest of the funding, we are now sourcing quotes for temporary fencing. Thank you for your support as we ride the roller coaster of this building project in South Africa.

LSFM CONNECT

- Give disadvantaged youth a hand up by partnering with us in the Education Fund. This fund provides registration fees for first year college students from the townships.

NEWS BITS

- Jonathan Olubunmi was born on December 12, 2008. Mom, Dad and baby are doing well and Joseph is a great older brother
- We will be traveling to the US in March 2009.
- A little bird told us that Deborah hits the big 30 on February 1st.

PRAISES

- Healthy delivery of Jonathan
- Success for LSFM East London's growth

PRAYERS

- Please pray for our preparation for the church and ministry for our absence
- Please pray for positive meetings for sourcing temporary structures
- Please pray for Frode and Sabina Nordhal as they fundraise for volunteering with LSFM
