Focus on: Partnerships

LSFM's vision is to empower the townships through church-planting and community development. To achieve this aim we network and partner with other organizations to bring support to the underprivileged affected by poverty (social, spiritual, and physical), to equip church members to be leaders and examples in the community, and to reach out with the gospel of Jesus Christ. Here are some

organizations which LSFM has worked with in the last few months to transform the townships.

Focus on the Family

A call to Focus on the Family for statistics on broken marriages in South Africa, resulted in their generously providing a Durban honeymoon to newlyweds James and Zandiswa from LSFM, Cape Town. Since then, LSFM has developed both a personal and organizational networking partnership with FotF as we try to use FotF family-based initiatives and resources to help broken families in the townships.

As a continuation of the pastor's workshops initiated by Christian Assembly's Pastor Vernon Dean, LSFM and FotF are currently developing a marriage and ministry outreach to pastors and wives of the Cape Town townships in 2011.

Samaritan's Feet

www.samaritansfeet.org

Samaritan's Feet is a non-profit ministry which distributes shoes to the needy. While it is not associated with Samaritan's Purse, this powerful ministry enables one-on-one ministry with children in need as counselors and volunteers wash children's feet, share testimonies, and give them a brand new pair of shoes. Samaritan's Feet distributed shoes to our Sunday School group in May, 2010.

Beauty for Ashes

This ministry focuses especially on uplifting and providing inspiration to women passing through difficult or tragic circumstances. In May, the ministry held a conference in the Cape Town area and sponsored tickets for the women's fellowship of LSFM Cape Town. They had a wonderful time of worship, prayer, and powerful teaching.

YWAM (Muizenberg and International)

Since Deborah and Gabriel entered missions through YWAM and still serve in a leadership capacity at the YWAM base in Muizenberg, it is no surprise that we partner regularly with YWAM. In May, Island Breeze, an indigenous upliftment ministry participated in our Delft outreach. In June, LSFM Cape town girls retreat was hosted by YWAM Muizenberg. In August, YWAM Biblical Studies students coordinated their efforts to support Thabo who is pastoring the LSFM church-plant in East London.
